# Apartment model - 1 Bedroom

1 Bedroom

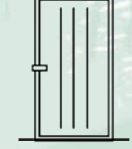

1 Bathroom

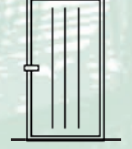

Terrace

Level 1

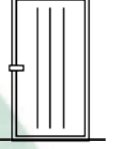

Level 2

Level 3

Level 4

This type of apartment has large spaces with one bedroom, one bathroom, terrace and living room - kitchen with breakfast bar. Total area of each apartment, depending on the block and level where it is located, will be between 55 and 75 m<sup>2</sup>.

The apartments make intelligent use of space, offering comfortable distributions combined with attractive finishes.

The terraces of our luxury apartments have been meticulously designed to offer an outdoor space that combines elegance, comfort and functionality. Each has been conceived as a private oasis, providing residents with an exceptional space to relax, entertain and enjoy the outdoors in a setting of unparalleled luxury. They offer panoramic views of the city, the ocean, or the surrounding natural environment.

All apartments are fully furnished, with LED ambient lighting, hanging lamps or sconces to create a cozy ambiance at night.

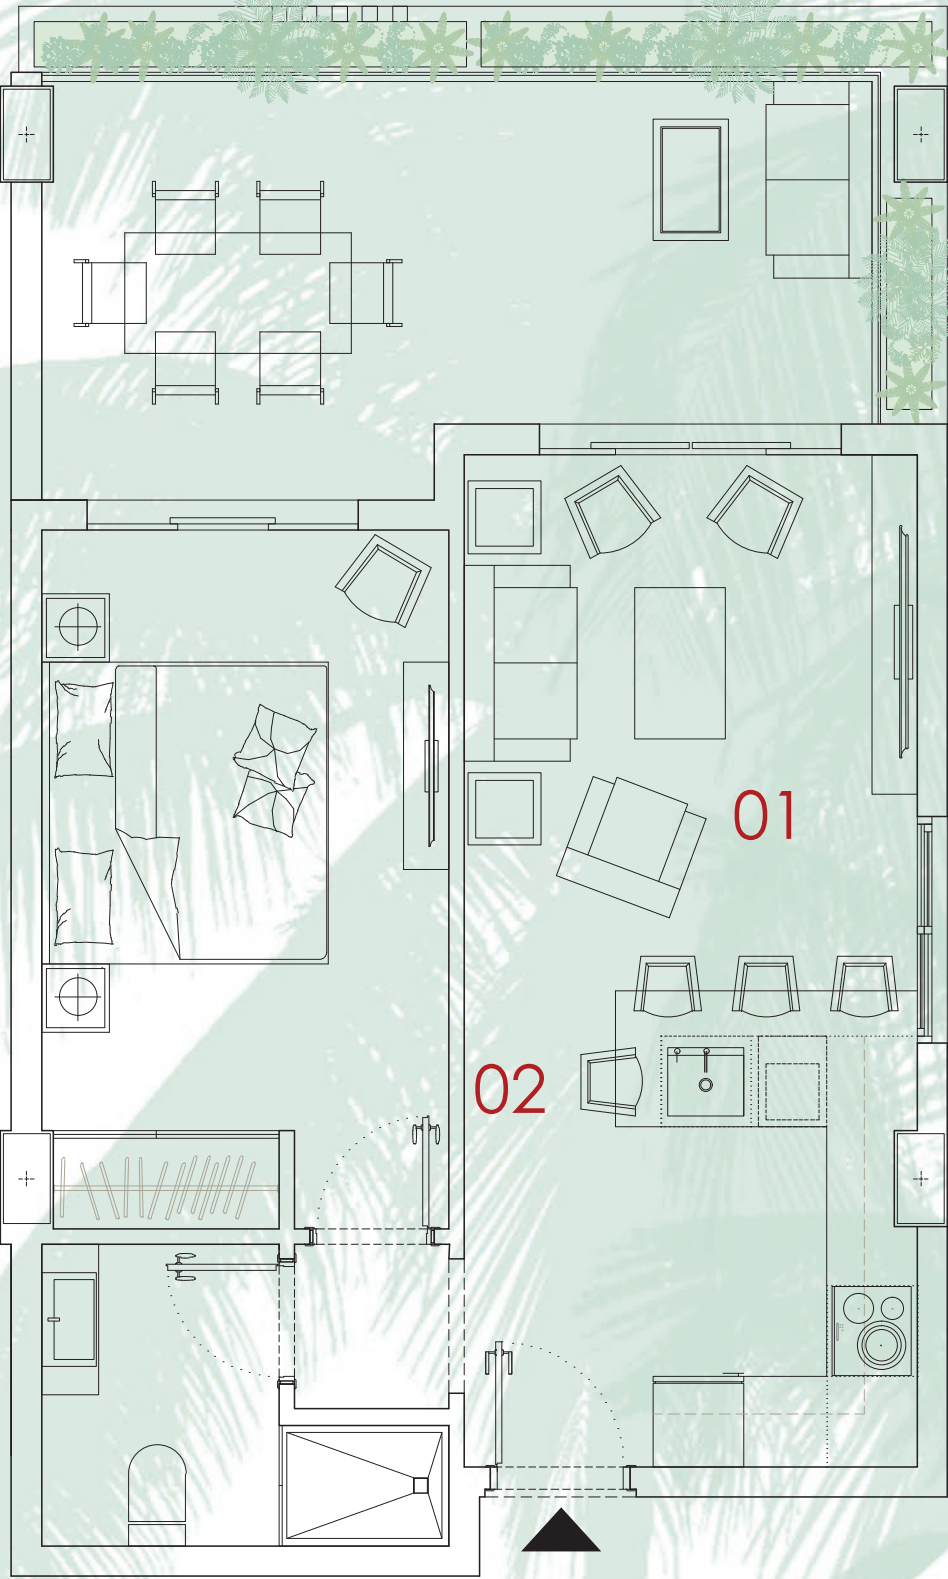

Living area with comfortable sofas and high-end cushions to enjoy the fresh air and tranquility and chaise lounges for sunbathing and relaxing in privacy.

# Apartment model - 1 Bedroom
